23rd Biennial
ANCOS National Conference
5th to 8th January 2027.

Welcome FLOW 2027

This vibrant event will welcome over 120 music educators from across Australia as well as internationally and offers a unique opportunity to promote your business while supporting the advancement of music education.

FLOW 2027 is a collaboration between the Queensland Orff-Schulwerk Association (QOSA) and the Australian National Council of Orff-Schulwerk (ANCOS). Founded in 1976, ANCOS supports educators in developing practical skills and deeper understanding of Orff-Schulwerk, hosting biennial national conferences with international participation. ANCOS is a member of the International Orff-Schulwerk Forum Salzburg (IOSFS), connecting Australia to the global network.

QOSA is a volunteer-led non-profit organisation fostering creative, child-centred music education. Together, QOSA and ANCOS unite educators in joyful, active learning.

FLOW 2027 is designed to be inclusive and practical:

- engaging music specialists, instrumental teachers, music therapists and general educators
- featuring hands-on sessions in singing, movement and instrument play
- Focusing on student engagement, technology integration and creative pedagogy
- and exploring the Orff-Schulwerk approach, founded by Carl Orff and Gunild Keetman.

Delegates will experience a rich blend of traditional and contemporary practices, set against the backdrop of Brisbane's natural beauty and cultural vibrancy.

On the following pages, you will find potential opportunities for your business to be involved in this exciting event. We look forward to building a partnership with you and involving you and your business in our conference.
